

2023 CHINESE CONGRESS ON HOLISTIC INTEGRATIVE ONCOLOGY

Cancer Control • Winning in Integration

November 16-19, 2023
Tianjin, China

Sponsored by: China Anti-Cancer Association

Organized by: Tianjin Medical University Cancer Institute & Hospital
Tianjin Anti-Cancer Association

Chinese Congress on Holistic Integrative Oncology (CCHIO) is the largest congress in the field of cancer care organized by China Anti-Cancer Association (CACCA) annually. It brings together national and international professionals to share the latest achievements in cancer prevention, treatment and research. The number of participants is over 30,000 each year. The topic covers all fields of cancer control, including cancer prevention, cancer screening, diagnosis, treatment, public education, research, clinic trial, rehabilitation, etc. There are plenary session, theme sessions, concurrent sessions international sessions, and poster presentations. The main congress venue of 2023 CCHIO is in Tianjin, and 105 concurrent sessions will be held in 30 cities around China.
